

Creating an ACH Template (CCD)

You will need to sign on to Online Banking with your Sign-On ID & Password.

Create an ACH Template:

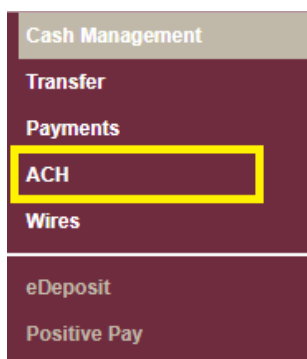

You can create as many ACH Templates as needed.

- ▶ Click 'Cash Management' on the top menu bar

This will bring up the main 'Cash Management' screen.

- ▶ Click 'ACH' on the left menu bar

This will bring up the 'Manage Active ACH' screen.

The ‘**Manage Active ACH**’ screen is your portal to ACH information and processing.

► Click ‘Create a Template’ at the top of screen

This will bring up the ‘ACH – Create a New ACH Template’ screen.

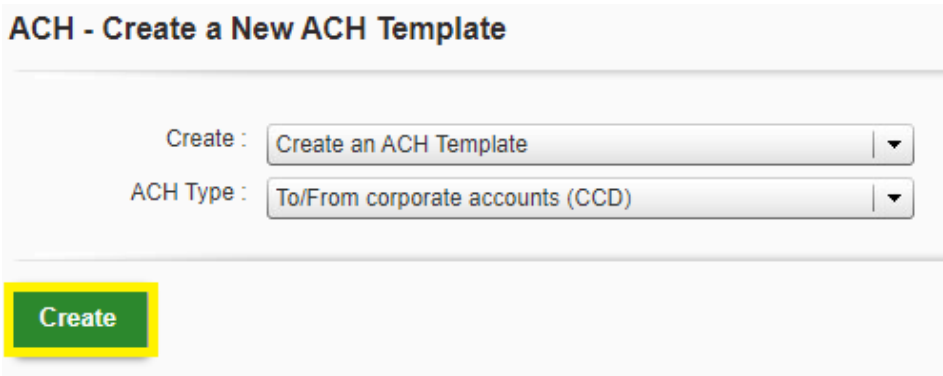

Create drop down, automatically pre-fills

ACH Type should always read as follows:

Batch Type: To/From Corporate Accounts (CCD)

Or To/From Personal Accounts (PPD)

► Click Create

Step One: Description

1

Description
